Bespoke glass bottle for Yon-Kaâ€™s aromatherapy toners

Lotion Yon-Ka PNG and PS are phyto-aromatic healing waters from Multaler Laboratories, the leading French expert in aromatherapy. Part of the Yon-Ka Essentials range, the facial toners are both contained in a custom bottle developed by Quadpack.

Lotion Yon-Ka PNG, for normal and oily skin, and Lotion Yon-Ka PS, for dry skin, use the essential oils of lavender, geranium, rosemary, cypress and thyme. These healing mists contain no alcohol, no parabens and are 99% free from artificial ingredients – perfect for rebalancing and preparing skin for everyday beauty.

To use, the lotion is sprayed onto the face and neck after careful cleansing. Quadpack adapted the bottle to ensure a perfect match with Yon-Ka's specific pump and cap.

The 200ml cylindrical bottle is decorated to reflect the purity and balance of the Yon-Ka brand. Two-colour silk screening was achieved on a 360° surface, using a complex decoration technique. Pastel blue and shiny Pantone CoolGrey 11C were applied on a frosted finish for a look of simple elegance. A white cap completes the pack.

Lotion Yon-Ka PNG is exclusively sold through salons & spas worldwide.
