Quadpack Australia has moved!

After six years in South Yarra, Quadpack Australia has outgrown its old office and crossed the Yarra River. Its new location is closer to the city of Melbourne, in Richmond, a trendy hub for fashion and design businesses.

The move reflects the company's continued growth in recent years, both in terms of size and product offering. The new office boasts a dedicated showroom which showcases all of Quadpack's latest launches and successes on the market. The room is designed to help inspire clients for their future launches, while a wide range of catalogue items is on hand to explore possibilities in the neighbouring sample room.

Should you wish to pay a visit to the office and showroom, please contact Jason Hodson or Mabel Kwok at Quadpack Australia, who will be happy to give you a personal tour.
