A timeless elegance thatâ€™s yours to transform

Proud, strong and classic, yet open to a touch of contrast. Charismo is the newest launch by Quadpack's Fragrance Division. Its strong lines can be complemented by a cap that follows its silhouette for a pleasing, coherent aesthetic. But combine it with a vastly different cap shape and material, and the juxtaposition is surprisingly effective.

Quadpack has developed a number of stunning Q-Line caps in marble, wood and ceramic, that draw attention and can help tell the brand's story.

The elegant glass bottle features a square base with differing heights to accommodate 30, 50 or 100ml of juice. Charismo offers a large, flat surface for decoration to complete the look. Options include silk screening, hot stamping, coating, painting and metallising.
