ARTSY

LACQUERING

Colour becomes craft. Layered pigments, polished to reveal depths. Playful interplay of colours.

GRADIENT

Colours shift and blend across the surface, forming smooth transitions and artistic compositions.

DRIP

Playful splashes of colour, for expressive and dynamic surfaces.

PATINA

Warm natural wear. History and character in every piece.

EARTHY

Mineral illusions carved into organic material:

VOLCANIC METALLICS

Irregular impacts, crushed or bruised wood effects on ash and maple.

STONE GRAIN

Grainy stone and marble-inspired textures. Elegant, natural, tactile.

CRACKLE

A refined fracture pattern runs across the wood, blending crackle effects with a modern edge.

GLOW

GOLD LEAF

Delicate accents or full brilliance, from subtle radiance to total glow.

GLOSSY

Shiny, polished surfaces that bring out depth and dimension. Each surface reflects care, precision and premium craftsmanship.

GLITTER

Soft or textured sparkle. Finishes that play with light, adding vibrancy without losing elegance.

TEXTURES

MICROTEXTURES

Fine laser engravings, subtle patterns and soft grain effects. A discreet luxury shaped by light and detail.

MACROTEXTURES

Geometry becomes movement. Carved volumes catch shadows and give the item a modern sculptural presence.
