

EXTERNAL WHISTLEBLOWING CHANNEL

The **Whistleblowing Channel** is one of the main sources of information for corruption detection, a fundamental component of Quadpack's Compliance Program and our commitment with transparency and integrity. The Whistleblowing Channel is an essential tool that will give us ethical and legal support while we strive to become better corporate citizens.

(*) In accordance with the General Data Protection Regulation 2016/679, we inform you that the data provided through the Whistleblowing Channel will be collected by QUADPACK INDUSTRIES, S.A., as the party responsible for the processing, with the aim of managing your complaint. The processing is legitimate by the Directive (EU) 2019/1937 on the protection of individuals who report breaches of European Union law. The personal data provided will be transferred to Ethics Channel S.L. (i2 Ethics), as the data processor. Data shall not be transferred to other third parties, unless legally enforced. Remember that you can exercise your rights of access, rectification, deletion, opposition, request the limitation of processing or the portability of your data, by mail to Plaça d'Europa, 9-11, 08908, L'Hospitalet de Llobregat, Barcelona or at dataprotection@quadpack.com. Likewise, we inform you that you can file a complaint with the Spanish Data Protection Agency through the complaints and claims mailbox set up for this purpose at www.aepd.es. We will keep your personal data for the time necessary to decide on the appropriateness of initiating an investigation into the reported events and, if appropriate, for the time necessary to resolve the complaint. For more information on how we process your personal data, please visit our [Privacy Policy](#).
