is a great day
to make a
positive impact!**

WHY DO WE EXIST?

To empower people to have a positive impact on society and the environment. The Quadpack Foundation was established in 2016 to take care and give back to the communities that have given Quadpack a home.

WE CARE ABOUT THE ENVIRONMENT & PEOPLE

HOW DO WE WORK?

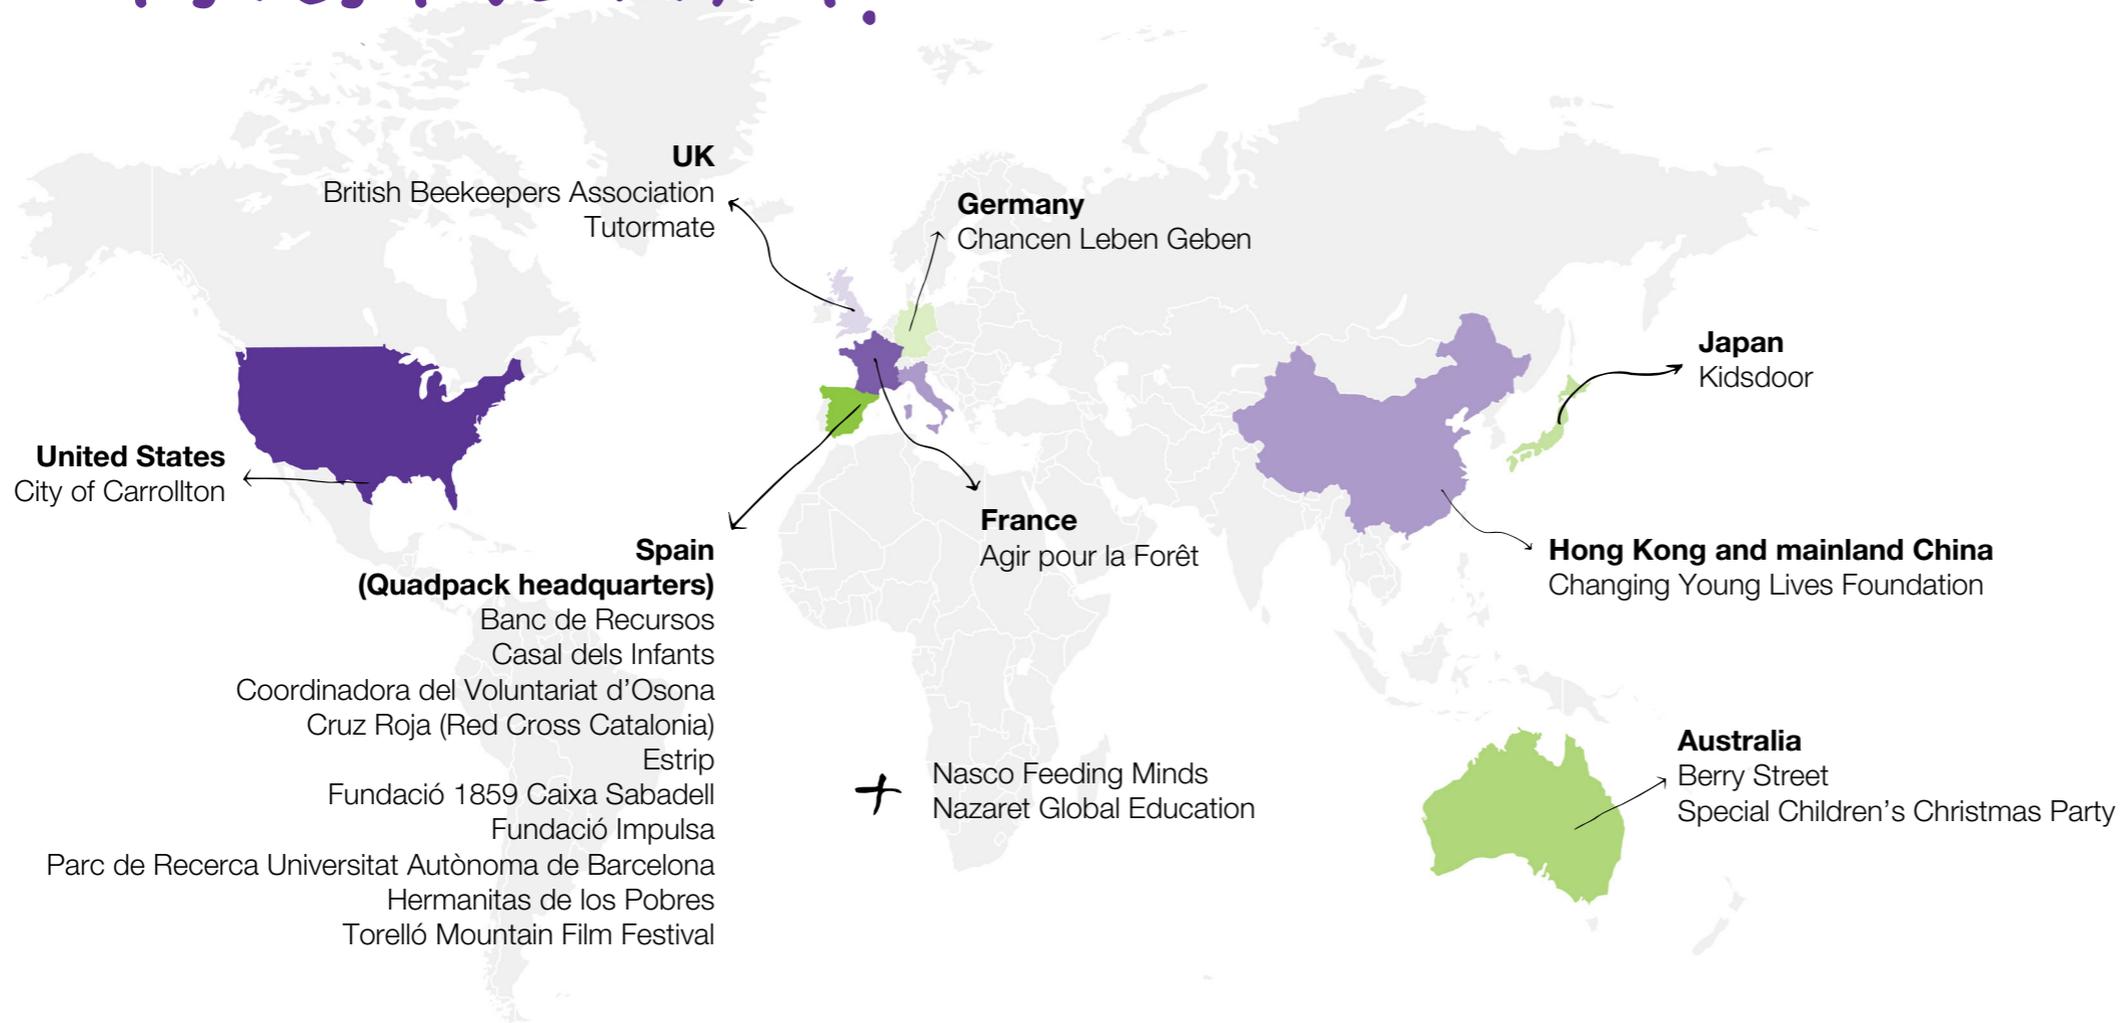

1 By **partnering** with non-profit organisations, companies, government institutions and others, having a positive multiplier effect.

2 By **sharing** our knowledge and resources through volunteering, material donations, making connections and grants.

IT'S MORE THAN NUMBERS - IT'S POSITIVE IMPACT!

“

Quadpack Foundation’s commitment to creating a positive impact in society and the environment has clearly been demonstrated over the past year. We’ve never had so many engaged volunteers, flourishing projects and ambitious plans to take care of our people and give back to our communities. I’m thankful for what we’ve done together and excited about the next steps of this journey.”
